

You're Being Overcharged by DocuSign.

Docubee Can Help.

DocuSign is convenient. That is, until hidden costs, envelope limits, and rising renewal prices disrupt your business.

Docubee provides unlimited usage, transparent pricing, and robust automation, helping you confidently manage your eSignature workflows without stress or surprises.

Problems We Solve (that DocuSign Can't)

- **Envelope Restrictions**

Docubee includes unlimited envelopes on every plan. Your team can stop worrying about counting envelope and workflow interruptions.
- **Branding Issues**

Preserve your brand identity with fully embedded, white-label signing experiences. No confusing redirects or persistent third-party branding.
- **User Experience Disruptions**

Our embedded signing experiences keep your users within your app, reducing customer confusion and increasing document completion rates.
- **Long Wait Times for Support**

Docubee provides the help you need with responsive, live support to resolve issues promptly and maintain workflows.
- **Advanced Features for All**

Access advanced features like CRM integrations, conditional logic workflows, and automated routing included with every plan. No upgrades required.
- **Hidden Fees**

Docubee offers flexible, transparent pricing that works with your business and your customers. No overage charges or hidden fees. Period.

How Docubee Compares to DocuSign

FEATURES	 docubee	DocuSign®
Cost	Transparent, flexible pricing.	Annual price increases; additional envelope charges.
Envelope Limits	Unlimited envelopes included in every plan.	Limited envelopes. Personal: 5/month. Standard/Business Pro: 100/year.
Document Templates	Unlimited templates included in every plan.	Template usage is limited by envelope allowance. (100/year)
Integration & API Flexibility	Custom API packages, webhooks, and flexible integrations.	Integration packages incur additional costs.
Customer Support	Award-winning customer support. Live chat and email support available 24/7.	Slow response times or unresponsiveness frequently reported.
Embedded & Fully White-Labeled Experiences	Seamless, fully customizable embedded signing with white labeling.	Limited embedded experiences with persistent DocuSign branding.
Conditional Logic & Advanced Workflows	Standard with Essential (\$20/month)	Only on Business Pro (\$40/month)
